Dear Mr. Nishizawa,

As you may be aware the Japanese government and the International Atomic Energy Agency (IAEA) have been taking measures to improve the level of representation of Japanese staff members in the IAEA. During a recent meeting between the Japanese Mission to the IAEA in Vienna and myself, it was agreed that Mr. Toshio Konishi, a former staff member of the IAEA, would be suitable to serve as a local counsellor in Japan to provide support to Japanese applicants for vacant posts with the IAEA. As I understand Mr. Konishi is currently a JAIF staff member and, therefore, I seek your approval for allowing him to serve in this capacity.

I thank you in advance for your kind support.

Yours sincerely,

David B. Waller
